

End of Year Celebration Newsletter July 2024

From Mr Wright

Dear Parents & Carers

It is with a heavy heart that I write my final, award winning, newsletter to you all. It has been an amazing year for me, working with your children and the incredible staff who teach, support and care for them. As the temperature reaches 29 degrees today, I am thankful that I don't have a third inflatable outfit to wear today, however Father Christmas and the Easter Bunny at the end of each of the previous terms were actually among some of my many highlights!

Thank you to everyone who contributed to entries at the Village Show last weekend - we enjoyed great success: the choir and dancers put on a great performance and the PTA raised lots of money on their tombola.

It was lovely to see many of our volunteers join Miss Adams, Mrs Krynicki and myself for an informal biscuit and cuppa on Wednesday. The volunteering that happens at this school has always amazed me, and the extra support that you give the children and staff makes such a difference - thank you!

On Monday, we will be having our final service in the church to celebrate all of the Year 6 children who will be moving on to pastures new. Although this service will have a particular Year 6 flavour, all parents are welcome to join us from 9am in the Church of the Good Shepherd.

Moving into next year, please continue to work with your child's class teacher in order to build the strong and positive relationships between all stakeholders that help the children to flourish. I will do my best to pop over to Pyrford School when my new job allows but until then, have a great summer with your lovely children and I wish you all the best.

Kind regards,

Pete

Pete Wright
Head of School

Year 6 at Osmington Bay

SATs

I am very pleased to share with you that yet again, Pyrford pupils smashed the SATs results out of the park! We are so proud of our children and the staff who have taught them over the many years here at Pyrford.

Our results came in whilst the children were away last week at Osmington Bay and we have now given the children their individual results. As you will be aware, children sit a number of papers in English reading, English Grammar, Punctuation and Spelling (SPAG) and Mathematics. The papers are marked externally and then bench-marked nationally. In English writing and Science, these are internally marked and externally moderated. This year, the school was visited by external moderators during the exam period which the children coped exceptionally well with.

The children have achieved the following outcomes:

We are beyond thrilled for they have worked so hard to get these fantastic results. In the Autumn term, the DfE will publish the full suite of results along with those who achieved the greater depth standard of which we are also expecting to beat all national benchmarks.

KS2 SATS	Pyrford % Meeting Expected Standard	National % Meeting Expected Standard
English Reading	92	73
English SPAG	95	72
English Writing	80	71
Mathematics	90	73
Science	100	81

A huge well done to all children across the school. At every national assessment point from EYFS, to Y1 phonics, to KS1 SATS and Y4 times table checks here at Pyrford, we have surpassed all national benchmarks!

It must be time for summer now, time to rest and recharge before we

hit the ground running with next year's learning.

BOYS & GIRLS | U5 - U6- U7 | 10AM - 11AM

Golden Book Awards

<p>N SQUIRRELS Alayna Ahmed & Aria Westwood. Alayna and Aria are often found painting and drawing at our creative table. The girls had great fun exploring what happens when you mix the colour of the paint blocks.</p>	<p>R BEECH Maxwell Emerton & Teddy Mackenzie. Both boys have worked super hard on their reading this year and love books. Mrs Murray is super impressed with the progress Maxwell has made with his phonics this term. Teddy is always in the book corner and his love of reading is infectious, encouraging other children to enjoy the stories with him.</p>
<p>R HAZEL Clara Berrange for working incredibly hard on her speech this year. She has shown real resilience and now speaks with confidence and clarity. Well done Clara! Thomas Lane. Thomas loves to be outside and always chooses the bikes. He can now ride all by himself and loves it when other children join him. Well done Thomas!</p>	<p>1 OAK Eyon Sijo & Ali Zafar for being such kind and respectful members of Oak class and always looking out for others.</p>
<p>1 PINE The whole of Pine class for being superstars at Sports Day and for just being fabulous!</p>	<p>2 CEDAR Sylvia Webb. In English, Year 2 have been performing a poem called <i>The Sound Collector</i>. We went on a sound walk around the school and wrote our own poems using the sounds we heard. Sylvia listened and thought carefully about how to describe each sound and produced a fantastic poem. Well done Sylvia!</p>
<p>2 HAWTHORN Emaan Khan. In English, we have been performing <i>The Sound Collector</i> by Roger McGough. We then wrote our own poems about the sounds around our school. Emaan impressed me with her fantastic poem and set it out neatly. Well done Emaan!</p>	<p>3 ELM Hadi Ahmed We have been learning the 3, 4 and 8 times tables throughout Year 3. Hadi has done a brilliant job in learning his number facts and recalling them quickly and accurately. Wonderful work Hadi!</p>
<p>3 MAPLE Becky Igboebisi. Year 3 have been learning about Howard Carter's discovery of Tutankhamun's tomb. Becky really thought about how he would have felt and included lovely detail describing each room. Becky has worked hard and made such great progress with her writing this year. Keep up the excellent work!</p>	<p>4 ALDER Lincoln Evans for working so hard. He puts amazing amounts of effort into his writing especially. Lincoln should be so proud of himself!</p>
<p>4 BIRCH Caitlin Hunter & Mia Sinclair. In Science, we have been learning about food chains and what happens if a problem occurs. Caitlin and Mia worked brilliantly as a team to create their own food chain and added description to explain the process. They are both very passionate about animals and our environment, so it was a joy to have them share their wisdom with us all. Well done!</p>	<p>4 LARCH Elif Altun for settling so well into Larch class. You are trying to make friends and to learn English all at the same time which must be very hard. We love having you as part of the class.</p>
<p>5 ROWAN Matthew Hills, Henry Sutherland & Munis Zahid for being budding mathematicians. They work super hard in Maths, always keen to share their ideas during the input and striving to get to the challenges. It has been great to see their enthusiasm for this subject. Well done boys. Keep up the good work!</p>	<p>5 WILLOW Liam Makuyana & Evan Sijo. Liam and Evan joined Willow Class earlier this year and have settled in beautifully. They have really embraced the school values and try so hard in all their lessons. Mrs Woodhams is especially proud of the resilience they have shown as moving schools is never easy. They have made lots of new friends and are a wonderful addition to our school!</p>
<p>6 HOLLY & LAUREL for all being absolutely amazing on the PGL residential last week, and also all the children remaining at school. The PGL instructors were so impressed with their behaviour and manners - they said it was a pleasure to have them attend the activities. Mrs Bull and Mrs Gilbey are so proud of all of them!</p>

Morning Session

9am to 12.30pm

Panna

Played on a circular court as an intense 2 or 4-player game, there is no hiding in Panna. Outwit your opponent with your cunning and fast footwork to score more goals. Win the game outright by putting the ball between their legs (nutmegging). Fast, furious and focused!

Jorkyball

Action packed two-a-side games that are perfect for competitive play, energetic workouts, or a great idea for a party

Padbol

Football re-energised with the serving style of tennis for greater pace and maximum energy. Serve, pass, rally and score! Highly competitive: huge fun.

Multiball

Football meets gaming. Step before our interactive digital wall, choose a football game and start playing. Can you hit the targets, solve the puzzle or get the most points for your team?

Lunch

Afternoon Session

1pm to 3pm

KickX Goal

Master penalties and shooting inside our state-of-the-art indoor penalty area. Kitted out with 3G grass, a full-size goal, targets, a volleying net, mannequins and a motorised ball dispenser. This is a striker's dream.

Teqball

Put all your skills and reflexes to the test with Teqball. A highly technical, highly energetic doubles game played on a curved table and designed for speed, players must prevent the ball from touching the ground through top-notch touches and exceptional teamwork. Serve, rally and score!

3pm - Collection
