

Pyrford C of E Primary School Weekly Newsletter

Dear Parents,

Hello and welcome to a new school year. I hope that you were able to make the most of the summer break and enjoy time with your families and explore new and exciting places, or rediscover old haunts!

As the new headteacher at Pyrford I am excited for the year ahead and what we can achieve together. I am also looking forward to the challenge of following in Mrs Krynicki's footsteps. I have been welcomed into the school by the staff and children and I hope over the course of the next few weeks I will have had a chance to see many parents at drop off. I hope to be on the gate regularly so if you see me do pop over and say hello!

I spent some time in the first assembly telling the children some facts about me, so if you want to know a little more then do ask them what they can remember. I will be taking some time next week visiting classes and spending a little more time with all of the children. I also hope to be able to extend an invitation to parents, once I have settled in, so that you can come and share with me all the things that make this school special to you.

The children seemed to have settled straight in very well and that is a testament to the adults in school and the time they have taken to help the children transition to new classes, year groups and expectations. Next week sees our new Reception children start their school journey with us which always creates wonderful memories and I cannot wait to see how they make their mark at Pyrford.

Today is the start of our Parent Briefings which are a great way for parents to learn more about what might be a little different from last year, as well as understand more about the learning intentions for the year. For me these are key opportunities for parents and school to be able to build closer bonds so that we can pull together. This ensures every child can achieve their potential and we look forward to welcoming you over the next few days.

Otherwise I hope you have a wonderful weekend, a lot of the children will be very tired after a stimulating week - so make sure they rest up for another busy week next week.

Have a great weekend.
Mr. D
